## Septage Receiving Service Application

The City of Tillamook offers a septage receiving program at the Wastewater Treatment Plant. Private haulers interested in utilizing this service may fill out the application for service, and sign the standardized contract. Please contact the Wastewater Treatment Plant at 503-842-4155 regarding times and availability for receiving. *The City will not accept industrial waste at this time.* Thank you for considering the City of Tillamook for your septage needs!
