

Façade Grant Program Guidelines and Overview

Purpose:

The Tillamook Urban Renewal Agency (TURA) offers City of Tillamook property owners and business owners within the District boundaries, grant funds not to exceed \$5,000, for the purpose of renovating and improving the exterior façade of the property. A renovation plan should provide wheelchair accessibility from at least one entrance at street level, if one is not currently available. This program does not provide funds for work previously completed. TURA also offers design assistance, not to exceed \$1,000. Design Assistance requires a separate application.

The Tillamook Urban Renewal Agency (TURA) has implemented the Façade Grant Program to:

1. Enhance the exterior condition of businesses in the Tillamook Urban Renewal District.
2. Restore the historic character of buildings within the district.
3. Improve private assets of the District by revitalizing distinctiveness and integrity of downtown structures.

Eligible Improvements:

1. Awnings appropriate for the façade improvement and architecture.
2. Exterior painting that it is consistent with other downtown buildings.
3. Non-illuminating signs that are compatible with other buildings on the block and that conform to the standards of the Tillamook City Code.
4. Exterior masonry repair.
5. Repair to exterior facades (front, rear & side facades are eligible).
6. Sign removal, replacement or repair
7. Installation, repair or replacement to cornices, doors, windows, decorative detail, awnings, window display lighting.
8. Exterior lighting
9. Landscaping features (e.g. window boxes or planters)
10. Bike racks or benches
11. Removal of barriers to access for people with disabilities

Ineligible Projects:

1. Interior improvements
2. Roofing and paving
3. Structural improvements not related to the façade.

4. Security measures (i.e. gates, security systems)
5. Loading docks or parking lot entrances
6. Removal of architecturally important features

Application Process:

In order to receive a Façade Grant the building owner, or tenant approved by the building owner, shall complete all of the following:

1. Review the design guidelines.
2. Complete and submit a Façade Grant Application form including all required documents.
3. Submit a drawing of proposed improvements (plans need not be done by a professional architect unless the project includes structural improvements related to the façade).
4. **An applicant may request design assistance. Design assistance costs, not to exceed \$1,000, may also be funded by the TURA, in addition to grant allocation. Dollar amount of design funding will be set by the Proposal and Justification Committee. A separate application for Design Assistance must be submitted to TURA prior to any further application for assistance.**
5. Submit a specific description of each part of the proposed improvements (paint color, material type, etc.).
6. Submit cost estimates for the proposed improvements. At least two (2) bids must be provided if the work is being done by a contractor.

Conditions of Approval:

Design reviews will be completed by the TURA Proposal and Justification Committee in the order of date received. Approval will be contingent upon available funds. The following criteria must also be met:

1. Improvements must be on property within the TURA District.
2. Improvements must conform to the standards of the Tillamook Zoning and Development Code and the Tillamook Town Center Plan and all required permits will be obtained.
3. Properties must be up to date on all municipal taxes.
4. “Conditions of Approval” may be developed by the TURA Proposal and Justification Committee or Board and shall be attached to the application.
5. Funding is limited to one grant per business/storefront, per 12-month period.

Approval Procedures:

1. Upon receipt of all application materials described above, the Proposal and Justification Committee will review the application before referring it to the TURA Board of Directors.

2. The board will then make a decision based upon the character of the proposed design and its compliance with the design standards of the Tillamook Town Center Plan. The TURA Proposal and Justification Committee or Board may develop “Conditions of Approval” which shall be attached to the Grant Approval Agreement and Receipt of Funding form.
3. If approved, City staff will contact the applicant and construction may begin after the Grant Approval Agreement and Receipt of Funding form is signed by the applicant. If not approved, the TURA Board will provide a written record of reasons for rejection. The board may also include recommendations for steps that may be taken to receive approval.
4. Successful applicants must sign the Grant Approval Agreement and Receipt of Funding form.
5. These processes and procedures may be altered by the TURA Board of Directors.

Payment Procedures:

Construction may begin only after the application is reviewed by the TURA Proposal and Justification Committee and referred to the TURA Board for approval. Any work done prior to formal approval, will not be eligible for grant reimbursement.

Grants will be issued only after construction is complete. Projects must be complete within twelve (12) months of approval by the TURA Proposal and Justification Committee. Upon completion of a project, city staff must be contacted to set up a site inspection by the TURA Contract Committee. If the inspector finds that the project complies with all standards and conditions above and with the pre-approved plans submitted with the application, the TURA shall provide funding for fifty percent (50%) of the total cost of the project, not to exceed \$5,000. For example, a grant could be used to pay \$4,000 of an \$8,000 project. In the event the project should exceed the original estimated costs, the applicant can request additional funding not to exceed \$5,000 for the total grant funding.

If a contractor was used, a written invoice must be provided to the TURA Contract Committee before funds will be granted. If a contractor was not used, receipts must be provided to the Contract Committee before a reimbursement will be issued. Only materials may be reimbursed for projects that do not use a contractor. Receipts and invoices must be accompanied by proof of payment (i.e. cancelled checks). Funds shall then be dispersed within fifteen (15) days from the date of invoice receipt.

Further Information:

It is recommended that the applicant discuss their project with the Board or Proposal and Justification Committee prior to submitting an application. Questions and applications will be accepted at;

For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Future developments. The IRS has created a page on IRS.gov for information about Form W-9, at www.irs.gov/w9. Information about any future developments affecting Form W-9 (such as legislation enacted after we release it) will be posted on that page.

Purpose of Form

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, payments made to you in settlement of payment card and third party network transactions, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

- Certify that the TIN you are giving is correct (or you are waiting for a number to be issued).
- Certify that you are not subject to backup withholding, or
- Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the

withholding tax on foreign partners' share of effectively connected income, and

4. Certify that FATCA code(s) entered on this form (if any) indicating that you are exempt from the FATCA reporting, is correct.

Note. If you are a U.S. person and a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax under section 1446 on any foreign partners' share of effectively connected taxable income from such business. Further, in certain cases where a Form W-9 has not been received, the rules under section 1446 require a partnership to presume that a partner is a foreign person, and pay the section 1446 withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid section 1446 withholding on your share of partnership income.
