

## **FLOWER BASKET PROGRAM INVITATION TO BID**

The City of Tillamook is requesting bids from interested persons for specific services relating to the planting of approximately 90 flower baskets and 4 stationary planters in the downtown area and Goodspeed Park to be on display from June through August 2019 and 2020. This is an invitation to bid on the plantings for two consecutive years.

**Submit bids no later than February 11, 2019 at 3:00 p.m. to:**

City of Tillamook  
Attn: Abigail Donowho  
2211 Third Street, Suite A  
Tillamook, OR 97141

Bids will be discussed by the Beautification Committee at their Monday, February 11, 2019 meeting. Committee recommendations will be considered by the City Council at their Tuesday, February 19, 2019 regular meeting. Successful bidders will be notified by Thursday, February 21, 2019.

For questions, call Abigail Donowho, City Recorder, at (503) 842-3450.

### **HANGING BASKETS**

**Number of Hanging Baskets:** 90

**Basket size:** 18"

**Number of Plants:** There is no specific number of plants required, however, to achieve the look desired by the City; each basket should contain "spiller and filler" type plants in an amount proportionate to the basket size. Eight to ten plants may be necessary depending on what is used.

**Types of Plants:** The City would like an eye-catching display of flowers that are full and lush, including three to five varieties of plants per basket.

**Disallowed Plants:** Nasturtiums, Bacopa

**Preferred Colors:** Complementary colors throughout the baskets.

**Fertilizer:** *If using fertilizer in planting, please disclose so we may alert the watering party and fertilizer can be adjusted in that process.*

Successful bidder will coordinate with city staff to pick up the empty baskets from the storage location. Liners are provided by the City. Bidder to provide the soil, plants, and fertilizer (if applicable).

Please submit a description of the types of flowers/plants your baskets will hold as well as pricing per basket. Photos of previous work and/or product drawings are always appreciated.

## **STATIONARY PLANTINGS**

Successful bidder will be responsible for planting the following by mid-June:

### **CITY HALL AND TRANSIT CENTER STATIONARY PLANTERS:**

**Number of Planters:** 4 (two each in front of City Hall and the Transit Center)

**Size of Planters:** 3' diameter

**Number of Plants:** Each planter should contain "thriller, spiller, and filler" type plants in an amount proportionate to the basket size. Some plants currently in containers may be used in the new feature.

**Types of Plants:** The City would like an eye-catching display of flowers that are full and lush, including three to five varieties of plants per planter. Low-maintenance perennial plants appreciated for the off-season greenery.

**Disallowed Plants:** Nasturtiums, Bacopa.

**Preferred Colors:** None specified.

**Fertilizer:** *If using fertilizer in planting, please disclose so we may alert the watering party and fertilizer can be adjusted in that process.*

Please submit a description of the types of flowers/plants you will plant as well as pricing per basket. Photos of previous work and/or product drawings are always appreciated.
